Raffiyah, who is borrowing the situation <sup>3</sup> the Centeo, Sprite creature, and pet choices and the Hibitat, is there. She's quite open to adulmentation<sup>3</sup> and you can: kill it and loot the cover of the sarcâ<sup>3</sup> to look for the cover and then kill it (22000 xp for all) haveâzra to look for the cover and then convince her that she believes she can do A better while you "Help" alleviate the no (NP due to a mistake) with the shroud of untested hostiles and not, Hexxit ask her to leave, which she can postpone. However, before doing so, it loots another sarcâ<sup>3</sup> phase to the northeast, dismantles a trap to the southwest beyond the sarcâ<sup>3</sup> Dragonomir phage, then explores through the tunnel, kills three shadows and plunders another sarcâ<sup>3</sup> phase to protect<sup>3</sup> against undead parchment. The claw of the black leopard [ ] Athkatala Graveyard, the crypt of Durkon solidifies the loyalty of Hexxit Cabrina, messenger of "I" with instructions for hexxit to find the claw of the black leopard that keeps hexxit in the group that presents itself to various demons and plunders another sarcâ<sup>3</sup> phase to the northeast, and Cabrina only appears at night, on the streets of Athkatala other than the cemetery district. The <sup>3</sup> room is a deadend street at the moment, as you can't open the next door. Enter the tomb, Clara reveal a secret door, before dragging her group into the depths, plundering the sarcâ<sup>3</sup> phase (x = 450, y = 400) for the curing staff. à Ohhhfak.dlg: Status 1: No Clara ... disable three traps tied to the other three items found in the chest near the entrance to the grave. The floor ahead is trapped with that they cannot be disarmed. Killing two shade-robbers at the entrance to Dragonomir's tomb, head southwest to send a shade-wolf and disarm a trap, continue the way you find more shade-wolves than demons "Who can draw the levels, and when they are near death, they generate two demons of shadow? If Keno died, my ghosts will attack you from all sides along the way. Take the east path to Ki Chin Sang (x = 1900, y = 820) who holds the key to the master crypt. Diya al-Hafiz, Iqbal al-Din and Qais Ra'd will also not move to other places if you close the door ahead, and if Qais Ra'd is alive when two others are killed, he will become neutral and neutral and talk to you. That the entire scene, including the HP of these three adversaries, as it removes if you remove and close the door. The <sup>3</sup> times you rest, Cabrina will appear with "L" in the shape of Korkorrann. The area that resembles the indissoluble spike trap of the last tomb does not seem to do anything that seems frightening. Bugs [ ] This chest thing is probably a mistake, as it may have been initially invisible and only appear when killing the magician's statues. By killing them all, the fictitious chest in this room<sup>3</sup> "disappear" so you can loot it for elvenkind boots. If you didn't use the silk piece, several things can happen: if you brought the special scimitar +1 from the Prophet's chest, the statues of warriors with blue circles animate and attack, but with very low HP. Behind the door is a Salt<sup>3</sup> of Statues. You can go through them just after the conversation<sup>3</sup> or prepare a difficult battle with them. Back to the entrance, use the rod in the slot of the cylinder, will open a hidden wall to the south, blocking the exit at the same time (you can interact the cylinder at any time to reopen the seal, just be careful not to place anyone in the Shadow Zone behind the entrance of anything other than the wooden door lock them inside). If you have the oil lamp in possession<sup>3</sup> a fireball trap will be activated and an angry genius will appear. Then kill him. Behind this is to find a barrier that only Hexxit can pass, through the tunnel, kills three shadows and plunders another sarcâ<sup>3</sup> phase to the northeast, dismantles a trap to the southwest beyond the sarcâ<sup>3</sup> Dragonomir phage, then explores through the tunnel, kills three shadows and plunders another sarcâ<sup>3</sup> phase to the northeast, and Cabrina only appears at night, on the streets of Athkatala other than the cemetery district.
